

## **CALCULATOR TERMS**

- These terms of use outline the provisions governing your utilization of the calculator tool provided by SRPL-GROUP through their website at [www.srpl-group.in](http://www.srpl-group.in), as well as the creation and usage of a corresponding online account.
- By using the calculator and your account, you consent to utilizing them for the purpose of aiding your configuration and installation of specific SRPL-GROUP products, as indicated within the calculator.
- You agree to maintain strict confidentiality of your login credentials (email address and password) required to access the calculator and your account. You acknowledge and accept full responsibility for any access to the calculator or your account using your login credentials and agree to promptly inform us of any suspected or unauthorized access or use
- You understand and consent that the calculator and the account provided by SRPL-GROUP are made available in their current state, without any warranties, representations, or conditions, whether explicit or implicit. This includes but is not limited to, warranties, representations, or conditions of conformity, availability, quality, fitness for a specific purpose, non-infringement, absence of errors, or uninterrupted usage.
- The calculator's functionality allows for the generation or retrieval of various information related to SRPL-GROUP products, encompassing configuration calculations, drawings, product lists, quantities, pricing, and installation instructions. It is important to note that the accuracy, completeness, correctness, and any other aspects of this information are solely your responsibility, and SRPL-GROUP assumes no liability or obligation in this regard. Your use of or reliance upon such information is done at your own discretion and risk.

- As a user, you have the option to store the information generated by the calculator within your account or via other means. It is your sole responsibility to ensure the security and protection of such information. You acknowledge and agree that SRPL-GROUP bears no responsibility or liability for any loss of or damage to the stored information, regardless of the circumstances. Please take appropriate measures to safeguard your data and maintain its integrity.
- SRPL-GROUP retains all intellectual property rights concerning the calculator and the information provided through it. These rights are either held by SRPL-GROUP or its licensors. However, you are granted a limited right to utilize the calculator's functionality remotely, as made available on the SRPL-GROUP website, subject to these terms of use.

By using the calculator, you acknowledge and agree that you shall not engage in the following activities

- (i) Making the calculator's functionality accessible to third parties in any way.
- (ii) Copying any component of the calculator.
- (iii) Modifying any aspect of the calculator, except for the elements explicitly designed for user input.
- (iv) Attempting to disable or bypass any protective measures implemented within or in conjunction with the calculator.
- (v) Seeking to extract or derive the source code of the calculator.

These restrictions are in place to protect the intellectual property rights and integrity of the calculator.

- To access the calculator, you agree not to employ any automated means, such as robots or similar tools, without obtaining the prior written consent of SRPL-GROUP. Furthermore, you are explicitly prohibited from engaging in the following actions:

- (i) Copying, reproducing, modifying, creating derivative works from, distributing, or publicly displaying any content derived from the calculator, unless you have obtained the prior written consent of SRPL-GROUP.
- (ii) Interfering with or attempting to disrupt the proper functioning of the calculator, as well as any activities conducted on or through the calculator.

These measures are implemented to ensure the integrity and proper operation of the calculator. It is essential to respect these guidelines and seek appropriate consent when necessary.
